vs.	)

Carolina Power & Light Company,	)

Respondent.	)	
	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on Gary Weaver's filed "Complainant's Written Request or in the Alternative Motion to Compel Production of Documents; Memorandum in Support of Motion; Affidavit of Gary Weaver; Exhibits A-B; Notice of Motion and Certificate of Service." Because Mr. Weaver has exhausted his administrative remedies in this complaint matter, we deny any further relief.

First, we would note that Mr. Weaver's Motion to Produce is not properly before this Commission. A Motion to Produce is only proper when a matter is pending before this Commission. This Commission has issued both an Order on the merits of the case (Order No. 2001-1095) and an Order on Reconsideration (Order No. 2002-28). Accordingly, Mr. Weaver's case is over at the Commission. This Commission is unable to address any other requests for administrative remedies/relief requested by Mr. Weaver

in Docket No. 2001-249-E. This Commission has disposed of the issues in this case in accordance with controlling legal authority.

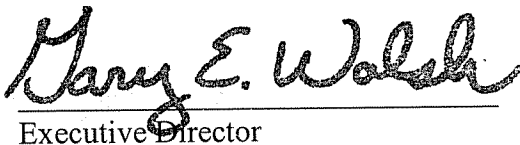

Moreover, this Commission will not entertain any other discovery motions. Discovery Motions at this juncture are improper as the complaint filed under Docket No. 2001-249-E has been disposed of fully by this Commission.

Accordingly, the Motion is denied. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

  
Chairman

ATTEST:
